

# WORKS UPDATE

## FEBRUARY 2026

Demolition works to Blackmore House are expected to begin from Wednesday 4 February 2026 and will be the main activity on site for the next two months.

Our bat licence has now been approved, and an ecologist has completed an inspection of the building. A bat licence is permission from Natural England that allows works to go ahead where bats may be present, with measures in place to protect them and their habitats.

You may have noticed the demolition machinery arriving on site. The building will be carefully taken down in stages, which means you will be able to see the demolition progress gradually over the coming weeks.

We will also be holding a milestone event on Wednesday 25th February 2026. Please RSVP if you would like to join us. More details can be found below.

### Milestone celebration

 Wednesday 25<sup>th</sup> February 2026  
4pm - 6pm

 Barnsbury Community Centre, 12 Jays Street, London, N1 0FE

 Light refreshments provided
